

Privacy Policy

The purpose of this document is to inform Users with regards to Personal Data collected by the website www.oliopregio.it (hereinafter "Application").

The Data Controller, as subsequently identified, may change or simply update, in whole or in part, this Privacy Statement by informing the Users. Changes and updates will be binding as soon as they are published on the Application. We invite therefore the User to read the Privacy Policy before every access to the Application.

In the event of non-acceptance of the changes made to this Privacy Statement, the User is required to cease using this Application and may request the Data Controller to remove his Personal Data.

1. Personal Data collection by the Application

The Data Controller collects the following types of Personal Data:

A. Data voluntarily provided by the User

-Contact data: These Personal Data are voluntarily provided by the User during the use of the Application and include personal data such as contact details, credentials necessary to access the services, personal interests, preferences and others personal data, etc.

-Sensitive data: Personal Data revealing racial or ethnic origin, political opinions, religious or philosophical beliefs, trade union membership, as well as genetic data, biometric data intended to uniquely identify a physical person, health or data concerning a natural person's sex life or sexual orientation

- Personal data collected from social media platforms: Users can share data communicated to social media with the Application. The User has the right to control the Personal Data that the Application acquires when he access to his/her social media accounts through the privacy settings available on the platform. By associating accounts managed by social media with the Application and authorizing the Owner to access these Data, the User, in accordance with this Privacy Statement, consents to processing and storage of personal Data provided during engagement with social media .

If the User refuses to provide Personal Data necessary to fulfill legal and contractual obligations or necessary to supply goods or services, the Owner has the right not to provide in full or part of its services. The User assumes the exclusive responsibility for the Personal Data of third parties obtained, published or shared through this Application and relieves the Owner of any responsibility towards third parties.

B. Data and content automatically collected while using the Application

-Technical data: During their normal operation, the computer systems and software procedures used to operate this Application acquire some Personal Data whose transmission is implicit in the use of internet communication protocols. This information is not collected to be

associated with identified Users, but due to its very nature, could allow to identify the users by processing and association with data held by third parties or by the data controller. This category includes IP addresses, or domain names used by Users who connect to the Application, addresses in URI (Uniform Resource Identifier) ,notation of the requested resources, the time of the request, the method used to submit the request to server, the size of the file obtained, etc.

- Usage data: Data relating to the use of the Application by the User may also be collected, such as pages visited, the actions performed, the features and the services used.

-Geolocation data: the Application may collect location data, which may be accurate or inaccurate. Accurate location data can be GNSS Data (Global Navigation Satellite System, such as GPS data), as well as Data that identifies the nearest repeater, Wi-Fi hotspots and Bluetooth, communicated when you enable products or location-based functionality

C. Personal data collected through cookies or similar technologies

This application uses cookies, web beacons and other similar technologies to collect data about the pages, the links visited and other actions within advertising or email content .They are stored before being re-transmitted to the same sites at the next visit

The User can view the complete Cookie Policy at the following address:

<https://www.oliopregio.it/privacy-policy-cookie/>.

2.Purpose

| Personal Data collected can be used for the execution of contractual and pre-contractual obligations and for legal obligations as well as for the following purposes:

- monitoring, analyzing and tracking User behavior or sending emails , newsletters and managing mailing lists
- Statistics only with anonymous Data

3. Data Processing methods

Data Processing is carried out using IT and / or telematic tools, with organizational methods and with logic strictly related *to* the purposes indicated.

In some cases, people involved in the Owner's organization may also have access to Personal Data (for example, human resources team, marketing team, system administrators, etc.) or external parties (for example IT companies, suppliers of technical services, mail carriers, hosting providers, etc

This subjects may be appointed “Data Processors” by the Owner. They will be able to access to Users' Personal Data whenever necessary and are obliged to keep the Personal Data confidential and secure

The updated list of Data Processors can be requested via email to info@oliopregio.it.

4. Legal basis for processing Data

The Data Controller processes Personal Data relating to the User when the following condition exists:

The User has given consent for one or more specific purposes

It is always possible to request the Owner to clarify the concrete legal basis of each treatment.

5. Where

Data are processed at the Data Controller's operational headquarters and in any other place where the parties involved in the treatment are located. For more information, contact the Owner at the following email address :info@oliopregio.it or postal address: Via Marzo, SS 19, 84028 Serre SA.

6. Security measures

Data are processed with all appropriate tools necessary to security and confidentiality. The Data Controller adopts adequate technical and organizational measures that guarantee and demonstrate, that the Treatment is carried out in compliance with the relevant legislation.

7. Retention Period

Personal Data are processed and stored for the time necessary to fulfill the purposes connected with the execution of the contract between the Owner and the User, not later than one year after the termination of the contract and in any case respecting the time limit prescribed by the regulations in force.

When the Data processing is necessary for the pursuit of a legitimate interest of the Owner, the Personal Data will be retained until the satisfaction of this interest

If the processing is based on the User's consent, the Owner may keep the Personal Data until this consent is revoked.

Personal Data may be stored for a longer period if necessary to fulfill a legal obligation or by order of an authority.

All Personal Data will be deleted upon expiration of the retention period. Once the term is over, the right of access, cancellation, rectification and the right to data portability can no longer be exercised.

8. Automated decision making processes

The Personal Data collected with the User's consent, will not be subject to any automated decision-making process, including profiling, which may produce legal effects for the person or which may have a significant impact on it.

9. User Rights

Users may exercise certain rights with respect to the Data processed by the Owner.

In particular, the User has the right to:

- Revoke his/her consent at any time;
- Oppose the treatment of his/her data;
- Access his/her data;
- Verify and ask for rectification.
- Obtain the treatment limitation;
- Obtain the cancellation of his/her personal information;
- Receive his/her data or have them transferred to another owner
- Submit a complaint to the Supervisory Authority responsible for the protection of Personal Data and / or act in judicial proceedings.

To exercise their rights, Users can send a request to the contact details of the Owner indicated in this document.

Requests are free of charge and processed by the Data Controller as soon as possible, in any case within 30 days.
